## **CLINIC POLICY**

- Nature Care Clinic is a student training clinic and it is therefore not possible to request particular students, as circumstances may not allow this.
- The duration of a treatment includes the time for completing a consultation form and preparation for your treatment. Your late arrival will shorten your treatment time so that subsequent clients are not inconvenienced.
- If you need to cancel your booking please give at least 24 hours notice.
- Gift Certificates are valid for 12 months from the date of purchase. If they have expired they will not be redeemed. If they are lost, responsibility is with the purchaser, not the Clinic.
- In some cases, herbal medicine prescriptions may not be made up immediately. In this instance, they will be available the following day after your treatment.  
Please ensure your mobile phone is switched off when entering the treatment room.
