

# Nature Care College

## Introduction to Science & Mathematics

---

**DESCRIPTION:** This two day workshop is recommended for all students commencing study in Anatomy & Physiology and Chemistry. Whatever your experience at school, this introductory workshop will help make maths and science fun again!

---

**CONTENT:** This short course will familiarise the student with concepts of mathematics, nutrition and chemistry used in studying to become a complementary health care practitioner.

Week 1: Scientific Notation and unit conversion

Week 2: Introduction to Chemistry

Week 3: Chemistry continued

Week 4: Nutrition calculations, examples and summary

---

**DURATION:** 8 hours (2 hours per week for 4 weeks)

---

**WHAT TO BRING:** Please bring a notebook and pen.

---

**CPE POINTS:** Members of ATMS (Australian Traditional Medicine Society) can receive Continuing Professional Education points for this course. 1 hour = 1 point with a maximum of 5 hours. Please bring your ATMS CPE form to have signed by your trainer at the end of the course.

---

Please be respectful of your fellow students and arrive on time for class. Please ensure all mobile phones are turned off prior to the commencement of class.
