Nature Care College

Numerology

DESCRIPTION:

This unit presents a system of numerology which helps align individuals more closely to life goals and personal unfoldment. It can directly assist participants to set their own course of action, or provide counsellors and natural therapists of all modalities with insight into pathways their clients are currently treading. During the course, you will gain an understanding of numbers and how to interpret the hidden messages in daily life. You will learn how to calculate and interpret numerology birth charts, in particular the significance of birth dates and names, personal timing indicators and inter-relationships compatibility. Manual included in cost of unit.

At the conclusion of this unit students should be able to:

1. Demonstrate an understanding of number symbols and how to interpret the hidden messages in numbers as they appear in daily life.
2. Demonstrate how to calculate and interpret numerology birth charts and in particular will learn the significance of day, month and year of birth, life path, pinnacles and challenges, birth name and personal years.
3. Apply timing techniques and look for relationship compatibility.

ABOUT DR NEIL HAIR:

Neil is the principal of The Sydney School of Numerology. He became deeply involved in metaphysics in the early 80s, studying Eastern Philosophy, Numerology and Astrology and developed a numerological model which he uses to help individuals and businesses better align themselves to life goals through new levels of awareness. Neil conducts both astrology and numerology consultations or a combination of both and teaches numerology workshops at Nature Care and other venues around Sydney. He is a popular speaker giving talks at significant times throughout the year and has written numerous articles for the popular metaphysics magazine, “Living Now.” He has been interviewed regularly on radio by Barry Eaton (author of “Afterlife”), discussing the world situation via numerology and astrology.
