Nature Care College

Tarot Reading - An Introduction

DESCRIPTION

Allow me to introduce you to the amazing world of the Tarot! We explore the Tarot from the past to today and how this unique system works. Join me on a spiritual journey through the beautiful and vivid images of the Major Arcana cards! The Tarot is the study of life offering a personal journey with increased awareness.

Explore the myths and legends surrounding the pictures, archetypes, symbolism and card meanings. An old saying describes a picture as worth a thousand words. Jennifer introduces guided visualisations to awaken the intuition, music and story-telling. Read the Tarot using the intuition!

Practice several Tarot Spreads including a spread for love & relationships, the Sacred Quest spread and the Look to the Future spread. We look at a number of decks and their themes. This course is suitable for beginners or for those with a desire to build upon their knowledge. You'll be able to use the tarot for your own personal guidance, as well as read for family and friends, and work towards setting up your own tarot business!
