COURSE OUTLINE

# "HEALING BEGINS WITH AN AROMATIC BATH AND A DAILY MASSAGE"

- Hippocrates

## Certificate in Aromatherapy Consultancy

Traditional cultures have harnessed the therapeutic benefits of plant-based essential oils for thousands of years!

Modern Aromatherapy utilises pure, natural aromatic essential oils of the highest quality for both psychological and physical wellbeing. Today increasing consumer awareness for natural therapeutic products has seen a huge increase in popularity for plant-based essential oil products.

### A CERTIFICATE IN AROMATHERAPY CONSULTANCY THAT DELIVERS STUDY/LIFE BALANCE

**Course Duration:** Can be completed in 2 Terms

**Intake:** February, June & September

**Study Options:** Enjoy the ease of watching the class live in our virtual classroom or watch the recording at your leisure

**Academic Year:** The academic year consists of 3 x 12 week terms

## What you will learn

This fascinating and comprehensive Certificate course provides you with practical aromatherapy knowledge that you can apply to your everyday life.

The course program begins by explaining the origin, benefits and characteristics of the major essential oils. You will gain an understanding of the therapeutic benefits and application of these amazing plant-based oils through different blending techniques and skin analysis.

The chemical constituents and properties of essential oils are taught, along with the how and why they work!

## Start Discovering the Power of Nature's Oils

**Peppermint** - digestive disorders

**Rosemary** - muscular pains, mental stimulate

**Sandalwood** - depression, anxiety and nervous tension

**Sweet Orange** - depression and anxiety

**Tea Tree** - respiratory problem, antifungal, antibacterial and antiviral

**Lavender** - headaches, insomnia, burns, aches and pains

## Who is this course for?

The Certificate in Aromatherapy Consultancy is for anyone who has a passion for learning more about the amazing world of aromatherapy.

It is extremely valuable for anyone working in sales as a product educator for natural products.

It is also an inspiring course for practitioners of other modalities to expand on their knowledge and client base.

### The Nature Care Benefit

## Course Study Plan

TWO TERM STUDY PLAN	
Study Period 1	Study Period 2
<ul style="list-style-type: none"><li>• Aromatherapy Essentials</li></ul>	<ul style="list-style-type: none"><li>• Advanced Aromatherapy</li><li>• Aromatherapy Skin Care &amp; Products (Recommended Elective Workshop)</li></ul>

**For subject dates and times, please view the Timetable.**

## Your Subjects

### Aromatherapy Essentials

You will undertake an in-depth study of 18 essential oils, including their history, chemical constituents, actions and therapeutic use. You will also learn blending techniques with carrier oils and extraction methods.

### Advanced Aromatherapy

An expansion of the Aromatherapy Essentials course, this unit of study looks at different body systems, skin types, advanced blending techniques & perfumes, essential oil production and the interesting area of subtle aromatherapy.

You will also learn about toxic oils, along with the chemical constituents of essential oils - the how and why they work!

Some of the more exotic essential oils will be covered in detail.

### Aromatherapy Skin Care & Products (Elective Workshop)

Learn the rich benefits of essential oils for healthy skin care, make your own products and walk away with the skills & knowledge to create and apply skin care products made from the often complex nature of aromatherapy essential oils.

## Course Fees and Payment Options

Nature Care has a long history of making natural therapy education accessible & open to everyone. With this in mind, the college offers a range of payment options to help make this possible and to assist people with their budgets.
